

Your Personal Invitation

The Bramptons Primary School
Celebration Evening with honoured
guests from the worlds of Literacy and Sport

26th January 2012
6.30pm – 8.00pm

Bramptons Primary School
Chapel Brampton
Harlestone Road
Northampton NN6 8AW

The Bramptons Primary School is one of the smallest primary schools in Northamptonshire with just 55 pupils spread out over three classes. We pride ourselves on the caring, family feel that there is in school and the attention we are able to give each child.

This year the school has had a full refurbishment, meaning that our children have a bright and fresh environment that has been reorganised to give them every opportunity to learn, with a superb new library.

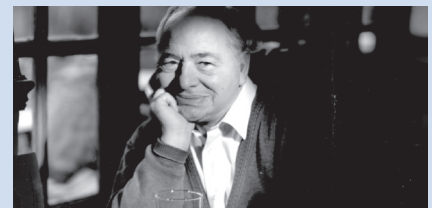

To launch the evening we have legends from the worlds of literacy and sport that will share with you insights into what made them top of their fields.

We would be delighted if you could join us for the evening to see our new facilities, meet our special guests and join in the celebrations.

We look forward to meeting you on the night.
