

21st October 2022

Dear Parents/Carers

**After School Hockey Club (starting on Friday 4<sup>th</sup> November to Friday 9<sup>th</sup> December)**

On Fridays, 3.15pm – 4.15pm Pacesetter will be continuing with the After School Hockey Club for children from year two to year six. The price of this club has been subsidised by school and will be £3 per session so the total cost will be £18 for 6 weeks.

The sessions will be run outside, weather permitting, so the children will need appropriate sports clothes and, if possible, shin pads and a gum shield. These are not a necessity to start with but for safety reasons it is advisable.

In accordance with the new payment arrangements, please ensure that you book and pay for your child's attendance at the club before the sessions start on the 4<sup>th</sup> November. Your child will be unable to attend the club unless payment has been received.

If your child needs to go to After School Club after Hockey Club, please book them in through School Money. The charge will be £2 per session.

If you have any questions, please feel free to come and speak to me.

Yours faithfully,

*M. Tanser*
